News of Manchester

Manchester Bureau, Times-Dispatch, 1103 Hull Street.

City Attorney Page has received the draft of the ordinance for consolidation prepared by City Attorney Pollard, of Richmond, in conformity with the agreement of the conference committee of the two cities. When the two committees settled on the final terms of union some time ago the whole matter was referred to the City Attorneys of the two cities to be put in the form of an ordinance carrying out the terms agreed upon. In its final shape it will be presented to the Richmond Council for adoption, members of the special committee on this side holding that it will not be taken up by the Manchester Council until this city is formally notified of the adoption of the paper in Richmond. Special meetings of the Councils of each city will be held for the consideration of the ordinance so as to avoid unnecessary delay.

Open New Church. The Baptists of Woodland Heights will hold the first Sunday school and church services in their new building this afternoon. While only intended as a temporary structure pending the erection of a more commodious church, it is complete and comfortable. Sunday school will be held at 4 o'clock, followed by preaching service at 4:30, when the sermon will be delivered by Rev. George W. McDaniel, D. D., pastor of the First Baptist Church, Richmond. The new building is situated on the

lots recently purchased at the corner of Thirty-first Street and Spring Hill Avenue, Woodland Heights. A cordial invitation is extended to all to attend the services.

Crap Joint Raided. The police raided a negro crap joint late yesterday afternoon, nine colored men and boys being hauled to the station house, where all gave bail for their appearance before Mayor Maurice tomorrow morning. When these bucks had put up their collateral and gone the station house held but two drunks, both locked up for their own safety rather than from any charge of disturbing the peace.

Engagement Announced. Announcement was made yesterday by Mr. and Mrs. Wellington Brandis, of this city, of the engagement and approaching marriage of their daughter, Mabel Salome, to Beverly A. Winfree, of St. Louis, Mo. The wedding will take place November 23, in Washington city.

Church Services. At Clifton Street Baptist Church today the pastor, Rev. J. Clarence Miles, will preach at 11 A. M. on "Home Insurance," and at 8 P. M. on "Adam, the Unhappy Man." The Southside Male Quartet will sing at the evening service.

Leave for Conference. Rev. W. G. Burch, pastor of Asbury Methodist Church, will preach at 11 A. M. on "Man Made Omnipotent," and at 8 P. M. on "The Alpha and Omega."

This will be the last service before the pastor goes to Newport News to attend the annual conference. There is a natural apprehension in the congregation that he may be transferred to another field, although he has not yet served the full four years allowed by the Methodist Church law.

Rev. J. M. Rowland, of West End Methodist Church, will also leave this week to attend the conference in Newport News. He will preach this morning on "Feeding the Hungry," and to-night on "Heroes and Heroism."

CHICAGO WINS EASILY.

Snows Northwestern Under to the Tune of 34 to 0.

CHICAGO, Ill., November 6.—The University of Chicago football team overwhelmed its old-time rivals from Northwestern by the score of 34 to 0 on Marshall Field today. At no time did the Northwestern players have a favorable opportunity to score. The speedy and varied attacks of Chicago proved too much for them. Northwestern depended largely upon the old-fashioned smashing game, using the tandem formation as the basis of a majority of its offensive plays.

ANOTHER FOOTBALL VICTIM.

Joseph Pickering Probably Fatally Injured in Game Yesterday.

NEW YORK, November 6.—Joseph Pickering, seventeen years old, of the Cassinville Seminary football eleven, sustained probably fatal injuries in a game with the Colgate Academy eleven at Hamilton today. It is said his injuries are practically the same as those which resulted fatally to Cadet Byrne at West Point.

PENN. BARELY ESCAPES DEFEAT

Lafayette Scores First, and Best University Can Do Is to Make It a Tie.

PHILADELPHIA, Pa., November 6.—Only the substitution of five new men late in the second half saved the University of Pennsylvania football team from a defeat at the hands of Lafayette this afternoon. As it was, the game resulted in a tie at 6 to 6.

Neither team scored in the first half, but in the second period each side made a touchdown and kicked the goal. It was a kick blocked by Pennsylvania and the recovery of the ball by Lafayette inside Pennsylvania's twenty-yard line that gave the visitors their opportunity to score. This touchdown stirred up the Pennsylvania eleven. Two row half backs and a full back were rushed to the rescue. It was the magnificent running of Hutchinson at full back, who had been kept out of the game for three weeks with a bad leg, that made the Pennsylvania score possible.

Throughout the game Lafayette had slightly the better of the contest until the last fifteen minutes, when the Pennsylvania substitutes went in.

GEORGETOWN MONOGRAM RULES.

Indiscriminate Colors and Shapes of the "G" Forbidden.

WASHINGTON, Nov. 6.—President Carlin of the Georgetown University Athletic Association, is proving to be one of the best men who have held that position as regards the enforcement of the laws of the athletic constitution.

The latest movement which stamps President Carlin as a reformer is the enforcement of the rules governing the wearing of the "varsity" "G." The system in vogue at the hilltop school for several years past has allowed men who win the "varsity" "G" in the various departments of sport to select any type of "G" and any color sweater they might choose. But this has been entirely contrary to the constitution and the several following rules bearing upon the wearing of "G" will be strictly enforced: Article 9 (of the constitution). The executive committee shall see that these rules are strictly enforced at all times and for sufficient reasons shall have power to take away from any student the right to wear his "G."

Article 10. The baseball "G" shall be the round gray "G" mounted on blue.

Article 11. The football "G" shall be the round blue "G" mounted on gray.

Article 12. The track "G" shall be the black gray "G" mounted on blue.

Article 13. The crew "G" shall be the black blue "G" mounted on gray.

Article 14. The president of the yard shall wear a blue "G" on a white mount.

Article 15. Colors and mounts of numerals awarded in the various departments shall conform to the above.

Beginning Dec. 1, 1939, the above rules shall be strictly enforced, and the penalty of losing the right to wear the "G" will be inflicted for the non-observance of said rules.

AMERICAN FIGHTER WINS.

Jim Stewart Knocked Jewey Smith, of South Africa, Out in Sixth Round.

PARIS, November 6.—Jim Stewart, American, 203 pounds, knocked out "Jewey" Smith, of South Africa, 187 pounds, in the sixth round of a fifteen-round match to-night.

Smith stood punishment excellently, but otherwise he ignored the manly art. He tried to rush Stewart, and at first kept him against the ropes. Stewart fell several times, but in the fifth round Jewey was down for seven seconds, and for eight at the commencement of the sixth round, at the end of which Stewart got in an uppercut on the jaw, which put Smith out.

Stewart gave the impression of having the material to make a good boxer. He was wanting in variety of action, and he also lacked training. The hall was well filled.

Tulane, 6; Cincinnati, 0.

NEW ORLEANS, La., November 6.—In a game which was characterized by both brilliant strategy and physical prowess, Tulane defeated the University of Cincinnati 6 to 0 this afternoon. The touchdown was made in the second half by Quarterback "Red" McMillan, following a forward pass, made a sensational fifty-five-yard run through a broken line to the goal line. Captain Moore kicked a goal.

Game Will Not Be Played.

With the Yuletide season fast approaching, rumors have reached here from time to time that, despite the death of Cadet Eugene A. Byrne, the Army-Navy game will be played. Colonel Hugh Scott, superintendent of the Academy, has categorically stated that the game will not be played. The game had been formally cancelled, and that Franklin Field would not be desired this year.

"FREE WHITE PERSONS"

Armenians So Held by United States District Court of Rhode Island.

PROVIDENCE, R. I., November 6.—Armenians are held by the United States District Court of Rhode Island, within the meaning of the naturalization laws by the United States District Court for the District of Rhode Island. Judge Arthur C. Brown so declared today when the government objected to the naturalization of Jacob Thompson, of Central Falls, a subject of the Sultan of Turkey and a native of Armenia.

This was the first case of an application from a subject of Turkey coming to the United States since the Division of Naturalization, Department of Commerce and Labor, took the position that such persons were barred from naturalization because they were "aliens."

Chief Examiner James Farrell, of Boston, represented the Department of Commerce and Labor and questioned the applicants. He said: "I have no objection to the application other than the objection that you are already familiar with, to which you are already familiar."

Judge Brown said: "It has been the practice of this court for many years to recognize Armenians and Turks as coming within the recognition of free white persons, and this court will continue to so consider them until a court of higher authority declares otherwise." Thompson then took the oath forswearing allegiance to the Sultan and promising to support the Constitution and laws of the United States.

STRUGGLES HARD FOR LIFE

Blood Stains on Sides of Wall Tell of Fight of Youth Found Murdered.

GREENVILLE, Ala., November 6.—With a bullet hole in his forehead and a pistol clamped in his hand, the body of Iva D. Baladen, sixteen years old, son of Homer Baladen, a prominent citizen, was found in a rooming house in this place early today.

Blood stains on the side of the building and around the wall indicated that the young man had died after a hard struggle. The boy's father has offered a reward for the apprehension of the alleged murderer.

PIRATE SMUGGLER MURDERS CREW

Honduran Gunboat Scuttled After Men Are Thrown Overboard

NEW ORLEANS, La., November 6.—Passengers arriving on the steamer Parismina from British Honduras told of the scuttling of the Honduran gunboat Tumbia and the murder of eighteen of her crew after she had overhauled a British steamer engaged in smuggling between Jamaica and Honduras.

Six days ago the Tumbia overhauled the smuggler fifty miles out of Puerto Cortes, and twenty of the gunboat's crew boarded the smuggler. The smuggler's crew surrendered, and the smuggler captain told Captain Zellella that there was plenty of good rum in her hold.

Zellella ordered a celebration. The prisoners formed into a line, and when the gunboat's crew succumbed to the rum they were flung overboard. The smuggler's crew scuttled the gunboat and then escaped.

Two of the sailors who were flung overboard reached one of the floating lifeboats of the sunken Honduran vessel and reached Puerto Cortes with the story of the wholesale murder.

The scuttling of the Tumbia deprives Honduras of her navy.

Youth Shot to Death.

SEYMOUR, IND., November 6.—Otto, the seventeen-year-old son of Harry Eggerman, was shot and killed by an unknown person last night. Young Eggerman was on his way home last night when the shot was fired. Who did the shooting has not been ascertained. The lad was not known to have an enemy, and the shooting is involved in mystery.
